MBG BUY DESK · BY MOZ BIT GURU

You know what to buy.
We make buying it formal.

A registered South African company that buys vehicles and business equipment for Mozambican businesses — with a contract, an invoice, and nothing left to chance.

THE PROBLEM

The what and the where are easy. The how isn't.

You've found the bakkie, the printer, the machine. Then the path turns informal: cash, a middleman, no paperwork, no one to call if it goes wrong.

HOW IT WORKS

Four steps. One accountable partner.

01

Tell us what you need and where it's sold

02

We verify you, check the item, and send a contract and quote

03

You pay MBG by EFT or card

04

We buy it. You collect it with every document in hand
